**Recommendation to send a letter to the City of Los Angeles**

On recommendation by the Mayor's Office, the Urban Area Security Initiative Approval Authority pulled back \$11 million in grant funds previously designated for the Los Angeles Regional Interoperable Communications System (LA-RICS) Joint Powers Authority (Authority) for its Land Mobile Radio (LMR) project.

These actions negatively impact the County's eventual use of this LMR System, and the overall success of this important regional public safety project.

**WE, THEREFORE, MOVE THAT THE BOARD OF SUPERVISORS** direct the Chief Executive Officer to:

1. Send a five-signature letter to the City of Los Angeles regarding this issue.
